

## **Action Taken Report on the Suggestions of the Ninth Meeting of Student Welfare Committee**

**9.2.2** Hostel warden of Daya Bhavan (the girls' hostel) and the college authorities were informed about the inconvenience caused to the students due to the non availability of wifi facilities for academic purposes. However, offline classes were suspended by the university which resumed only in November 2021. Soon after reopening of the college, wifi facility was made available to the students in their study hall.
