(AUTONOMOUS)

HACK CLUB RSET PRESENTS  
24 HR HACKATHON

# HACK </> KERNEL

CODE + BUG = CHANGE

2.0

NOV 10,11 2023

# ABOUT RSET

Rajagiri School of Engineering & Technology - RSET (Autonomous) in Kochi, Kerala, is under the management of the Sacred Heart Province of the Carmelites of Mary Immaculate (CMI) congregation. RSET offers nine undergraduate programs and has been recognized in the National Institutional Ranking Framework (NIRF).

The Rajagiri Valley campus offers a harmonious blend of urban and rural elements. The lush and peaceful setting of the self-contained campus creates an ideal environment for fostering academic creativity and intellectual endeavors. Simultaneously, its close proximity to Kerala's industrial belt, the Infopark, and the proposed Smart City ensures that students gain practical exposure in their respective professions.

# WHO ARE WE?

Hack Club is a global nonprofit organization that empowers students to learn, code and create by providing an open-source and unstructured club environment. It is entirely student-led and aims to transform learners into creators, emphasizing a culture of innovation. Hack Club is led by students with a strong foundation in both academics and community engagement, enabling them to facilitate self-directed projects and events within an open-ended format.

## Activities

Bootcamps, Workshops, Idea Pitch, Hackathons and talks by eminent personalities

## Credentials

Organized multiple events and competitions.
