

		<p>Feedback the students were introduced to Arduino, and they were delighted to get a knowledge on arduino and how to do projects on it. It was a first time experience for them in using arduino and to code and see how things work with sensors.</p> <p>They have requested for ore sessions.</p>  <p>The screenshot shows a WhatsApp chat interface. At the top, the contact name is 'Durga Girls High Sch...' and they are 'online'. The chat history includes a message 'Sure' at 7:53 am. A green bubble contains the text: 'Thank you Miss for giving us this opportunity' at 3:45 pm. A white bubble contains the text: 'Actually we have been honoured. Our children were very happy and they said they need more such sessions which give the exposure to wide world outside. Thank you very much mam And i am really sorry for not attending this.' at 5:52 pm. A final green bubble says 'Thank you for the kind words' at 5:53 pm.</p>
5.	Photos	 <p>The photograph shows an indoor setting, likely a computer lab or classroom. A man in a purple shirt is standing and talking to a woman in a grey shirt. A woman in a green shirt is sitting at a computer workstation. There are several computer monitors and desks in the room.</p>

		
6.	Impact Analysis	<p>The students were eager to know the opportunities related to Engineering and how they can prepare themselves for taking up such courses.</p>
