**ABOUT TRITECH DESIGN ACADEMY**

Tritech Design Academy established in 2010 is a training firm providing hands on experience in latest Engineering Methodologies, CAD and BIM Software Integrating real world projects

- 20+ Professional and Software Certifications Available
- 3500+ Students Successfully Placed after Training
- 10+ years as Partner for Autodesk (USA) Worlds No.1 BIM Company
- 25+ years of Tritech Engineering Projects for Student Experience
- 5+ Academic Partner Programs leading Engineering Colleges

**What is BIM ?**

The Building Information Modeling (BIM) is a process that uses 3D digital models to create a virtual representation of a building or infrastructure project. It allows project teams to collaborate and share information throughout the project lifecycle, from design and construction to operation and maintenance. BIM enables better decision-making, reduces risk, and improves project efficiency.
