The Way Forward:

VISION:

To evolve into a premier technological and research institution, moulding eminent professionals with creative minds, innovative ideas, and sound practical skill, and to shape a future where technology works for the enrichment of mankind.

MISSION:

To impart state-of-the-art knowledge to individuals in various technological disciplines and to inculcate in them a high degree of social consciousness and human values, thereby enabling them to face the challenges of life with courage and conviction.

ECE Newsletter April 2024

Project Expo

The Project Expo provided a wonderful opportunity for S8 students to present their innovative projects, showcasing their hard work, creativity, and technical skills. The Project Expo is a wonderful opportunity for S8 students to share their innovative ideas and receive valuable feedback.

PARUDEESA

Memoreel

PARUDEESA: Memoreel - Recollecting Memories at RSET

a heartfelt farewell event organized for the S8 students of the Electronics and Communication Engineering Department at RSET. This event, aptly named "Memoreel," was a beautiful occasion dedicated to recollecting and celebrating the cherished memories created during their time at RSET.

Prizes were awarded to the best projects, recognizing and encouraging excellence.

Project expo prize winners

First - Jerin Shaibu and team - Beta

Second- Naveen Sashi and team - Gamma

Third shared by

Chinnu Rose and team - Alpha

Vani Lakshmi and team - Gamma
