## From the HOD's Desk

Welcome to the Dept. of ECE, at RSET, Kochi. This newsletter will be covering departmental activities of staff and students and the major milestones achieved.

In the month of March 2024, the major activities of our department

## ECE Department Implements Open Book Tests for Solid State Devices Evaluation

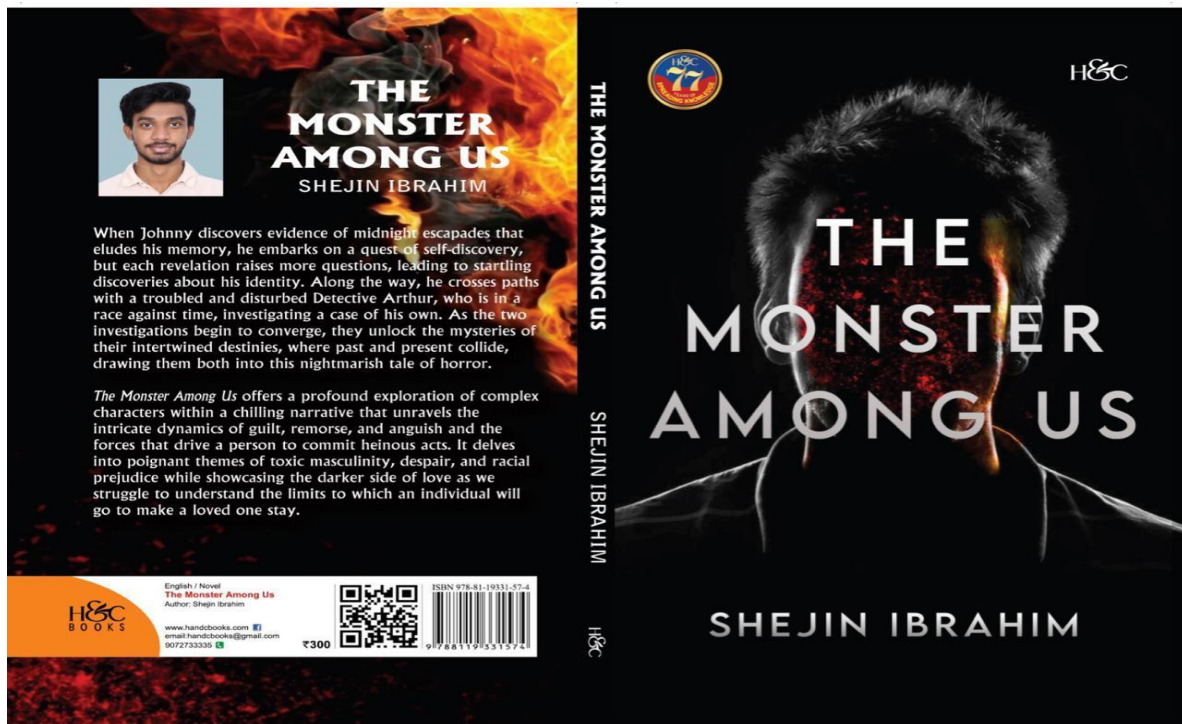

# ECE Newsletter March 2024

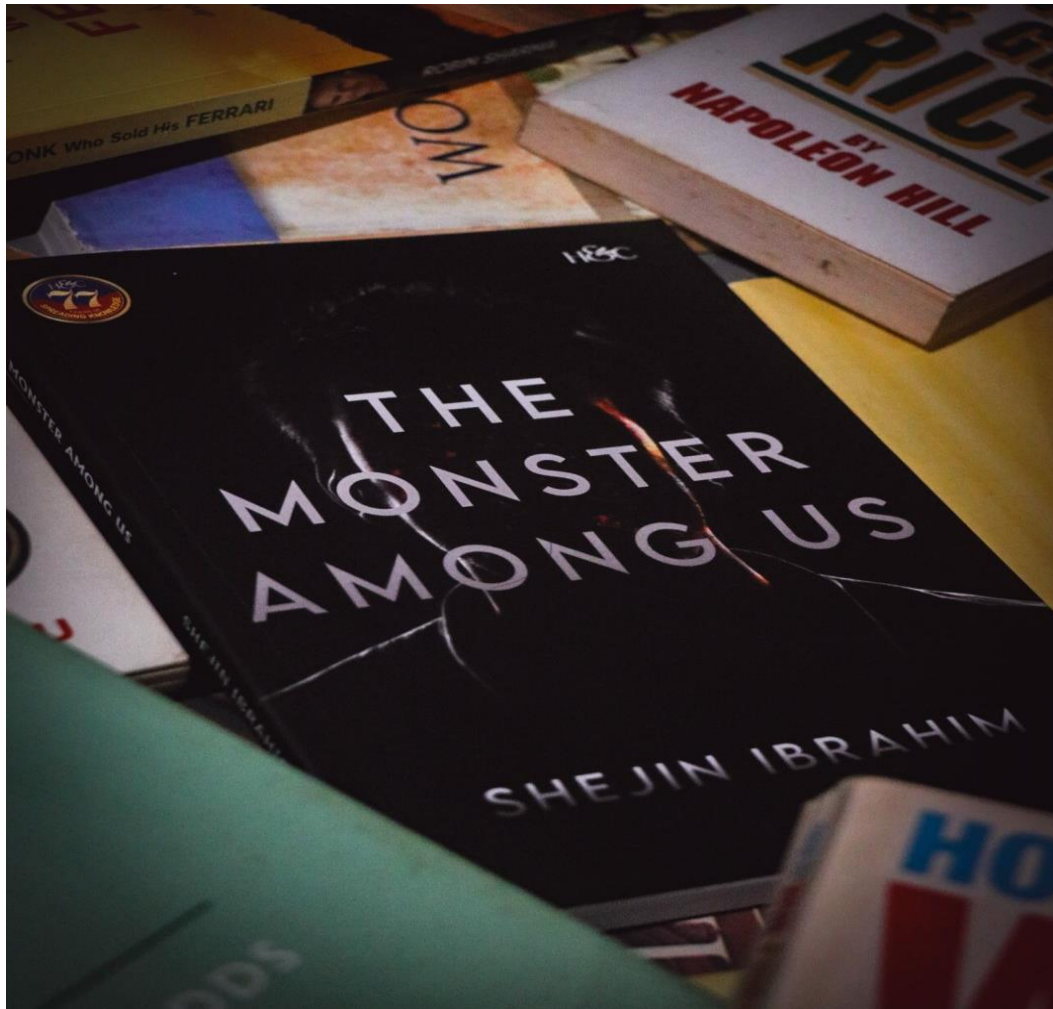

We are excited to announce a significant change in the evaluation method for the Solid State Devices course starting from the 2023 admissions onwards. In an effort to enhance the learning experience and promote a deeper understanding of the subject matter, the Electronics and Communication Department has introduced open book tests for Solid State Devices evaluation.

## Student achievement in extra curricular activity

Mr. Shejin Ibrahim, Student of S6 EC Gama, Publishes Book "The Monster Among Us". We encourage Mr. Ibrahim to continue pursuing his passion for writing and to explore new opportunities for personal and artistic growth. May his literary journey be filled with continued success and fulfillment.

The Monster Among Us - Shejin Ibrahim
